The purpose of this research were: 1) To describe the implementation of the students' speaking skill for XI grade students in SMKN 1 Pengasih by using podcast as the learning media. 2) To describe the benefits of implementing podcast in improving students' speaking skill at SMKN 1 Pengasih as the learning media. 3) To describe the obstacles of implementing podcast in SMKN 1 Pengasih as the learning media.

This study used Classroom Action Research(CAR). It was conducted in two cycles which in each cycle consisted of two meetings. It was carried out from July to August 2021. The participants of this research were the researcher, the English teacher and 25 students of eleventh multimedia of SMKN 1 Pengasih in academic year 2021/2022.
